

Dear God,

Help us to **strive** to do our best in everything.
Fill our hearts with **hope**, especially when
things feel hard.

Teach us **inclusion**, so we welcome everyone
with kindness.

Help us to **nurture** friendships and to love and
care for others.

And let us remember that everyone deserves
equality of opportunity

Thank you for helping us **shine** brightly every
day,

In Jesus name we pray,

Amen.
